Merrick Garland,

I, Michael James Nissen am requesting an adjudicative hearing and a declaratory order from the administrative agency to determine if i'am the "person" or "whoever" named in 18 U.S.C. § 875(c) in writing, i require the administrative agency to make the determination that i'am or am not subject to the codes and make it in writing, i quote the definition of 18 U.S.C. § 875(c) as follows: "whoever" as found in the code, i'am the living man, a private civilian citizen in my private capacity,
included is my affidavit of status, and

declaration of status filed with the agency courts, in addition i require the administrative agency to issue an order saying the code applies to the living man and i quote: "this is me, and this is the definition in the code, 'i do not see me, a living man listed in the definition, so it is your responsibility to determine if i fall within the definition of person subject to the code.'"

in conclusion i look forward to a timely response regarding this very important matter before us today from this administrative agency; may God Bless America.
